

Marcus Perri Soper, BCO, FCLSA

Mr. Soper formally entered the ophthalmic industry in 1977 as an apprentice contact lens technologist / Ocularist. He is Owner and Director of Prosthetics and Clinical Services, actively engaged in fitting contact lenses and ocular prosthetics at Soper Brothers and Associates in Houston, Texas. He has special interests in the cosmetic restoration of unsightly eyes, the adverse effects to the surface

quality of contact lenses and ocular prosthetics, and the topographical changes of the cornea induced by contact lenses, surgical procedures and systemic disease.

Mr. Soper is a Board Certified Ocularist, Fellow Member of the American Society of Ocularist, and a Fellow Member of the Contact Lens Society of America. He has served on the Board of Directors of the American Society of Ocularist, the Contact Lens Society of Texas, the Opticians Association of Texas and the Contact Lens Society of America. Mr. Soper is a past president of the American Society of Ocularist and the Contact Lens Society of America.

Mr. Soper has served as Educational Chairman of the American Society of Ocularist and in the same capacity for the Contact Lens Society of Texas. During his presidency he founded and has served as Chairman of the Contact Lens Society of America University an online educational site used worldwide for contact lens education.

He has authored, co-authored and edited numerous publications and presentations. He was a staff instructor at the annual Baylor College of Medicine Contact lens Technology Course from 1978-1990 and has lectured extensively throughout the United States, Canada and Mexico in the fields of contact lens technology and ocular prosthetics.

Mark, his wife Marsha, sons Marcus and Marshall reside in Houston and are very active in numerous civic and charitable organizations.
